

Συνεργασίες με Ελληνικά Ιδρύματα/Ερευνητές

- Prof. G. Kitis (Physicist), Aristotle Univ. of Thessaloniki, Department of Physics, Laboratory of Nuclear and Elementary Particle Physics, on issues of OSL/thermoluminescence of archaeological materials (1999-2019)
- Cultural and Educational Technology Institute - ATHENA, Research and Innovation Center in Information, Communication and Knowledge Technologies, Xanthi, Greece, Dr N. Tsirliganis (Physicist), Dr D. Tsiadaki (archaeologist), Dr G. Pavlidis (Digital Technology), on issues of luminescence, digitalization, analytical techniques (2002-2016)
- Assoc. Prof. K. Ioannidis (Univ. of Ioannina, Dept of Physics, Center of Archaeometry), on issues of luminescence dating (2012-2014)
- Prof. G. Tsokas (Aristotle Univ. of Thessaloniki, Dept of Geology), on geophysical prospection (2000-2021)
- Prof. N. Zacharias (archaeometrist), on educational and joint research issues of luminescence dating, characterization and provenance of archaeomaterials (2008-2021)
- E. Polychroniadou, Conservator-Museology (Msc), on issues of museology studies and preventive conservation of art works and monuments (2011- 2016)
- Assoc. Prof. I. Iliopoulos (Geologist), University of Patras, Dept of Geology, on geoarchaeological issues (2011-2021)
- Dr Chr. Karidis (Conservation of antiquities), Ionian Technological & Educational University, Dept of Conservation of Antiquities, Zakynthos (2015-2021)
- Emeritus Prof. J. Hatzopoulos (Photogrammetry), University of the Aegean, Dept of Environment, Mytilini (2010-2019)
- Assoc. Prof. S. Vosynakis (Digital Museums, Virtual archaeology), University of the Aegean, Syros (2014-2019)
- Prof. A. Georgopoulos (Digital Cultural Heritage, Photogrammetry), National Polytechnic School, Athens (2013-2019)
